Our waiter Christina was amazing and looked after us. Very attentive, smiling and just wonderful. We were treated like royalty, and we cannot adequately put into words how grateful we are to you for your incredible generosity, kindness and for playing such an amazing part in our special day. You've given us the best memories that'll last a lifetime. Thank you again, you're all wonderful people."

Private Dining Room, May 2024: "Ryan's birthday last night was brilliant & I wanted to send a huge thank you to you for pulling it all together. Also, to Tabby who looked after us during dinner, she's a star & one friend dubbed her the "drinks ninja". There were two people looking after us for the drinks outside, but I didn't catch their names - a blonde lady with her hair down & a dark haired young guy. Both were equally brilliant. Super friendly & professional with the northern charm. The service was slick & friendly, everyone had an amazing night & commented on how great the food was. Please pass on our thanks to the team."
