Our allergen information identifies the allergens present within our dishes as intentional ingredients and also indicates where dishes 'may contain' an allergen. Where a dish 'may contain' an allergen, this is where it is not intentionally present, but where the manufacturer of an ingredient believes that cross-contamination may still be a risk and has declared this. Please be advised that all our food is prepared in kitchens where allergens are present. Whilst we take every reasonable precaution when preparing your food, we cannot guarantee any allergen-free dishes.
